Give 1 to 1

Were you able to share the gospel this week by offering the tract Bad News / Good News? How about a repeat? There are plenty more on the foyer table—take what you can use!

From the Bookshelf:

• *The Valley of Vision* is a collection of Puritan prayers and devotions, both helpful and instructive to the 21st century Christian. The publisher notes, “This book has been prepared not to ‘supply’ prayers but to prompt and encourage the Christian as he treads the path on which others have gone before.”

• In *Discovering God's Will*, author Sinclair Ferguson answers the question, “How do we discover the will of God for our lives? ... by showing how God's will is shaped by His ultimate purpose for us. It is made known to us through His Word.” This little volume “shows that the guidance God gives comes primarily through knowing, loving, and obeying Him.”
